TASO

An aerial photograph of a university campus. In the top left, a large blue lake is bordered by a dense forest. The campus itself is a mix of green spaces, trees, and various buildings. A prominent feature is a large, circular stadium with a blue roof, situated in the center-left. To its right is a large, rectangular building with a dark roof and a central courtyard. Further right is a large, green sports field. The campus is surrounded by more residential-style buildings and parking areas. The overall scene is a well-planned academic environment integrated with nature.
